This year also KVSWS had taken up the task of providing uniforms, text books, note books and other accessories to the students at less than market rates. Many have availed the facilities and benefitted. If anyone is still in need of these services, they can contact KVSWS office.

As decided in the General Body meeting of PTA held on 16.07.2016 KVSWS was formed. With the concurrence of KV PTA Sub-committee for Bus Maintenance, the day-to-day operations of school bus service is being overseen by KVSWS which is committed to see the successful operation for the benefit of the students. However, majority of the parent members are unaware about the problems faced in the operation. The buses are very old and require frequent and heavy repairs. Rules and regulations being introduced by KV Sanghatan is stifling bus operation. Issues pertaining to operational bus crews are also not much known to bus users.

As per the AGM held on 13.01.2018 under the banner of KVSWS as well as KV PTA Sub-committee for Bus Maintenance, the following resolution has been approved:
